CREATIVE | design

SUSTAINABLE | Manufactured from Galvanised Steel and hardwood

FALCOSINUS

As a field organizer or manager public space you can create your own unique arrangement of street furniture. Bench with hardwooden slats and galvanized steel, optional powder coating in RAL color.

The sofa is available in various radii and angles allowing various configurations are possible.

Please contact our product consultant and discuss the possibilities of this bench for your (public) area.

Foundation

For stable placement Falco recommends two concrete feet as a foundation per each bench segment.
